/f/ The Firehose Sound

The /f/ sound is produced by putting the top teeth on the bottom lip and pushing air out. It sounds like water coming out of a firehose. The "voice motor" is off and therefore it is a whispered sound.

Initial /f/ words:

fire	first	far	four	five
fair	fee	fudge	fence	fan

Final /f/ words:

knife	tough	laugh	wolf	half
off	hoof	elf	stuff	leaf

Medial /f/ words:

sofa	taffy	muffin	laughing	breakfast
dolphin	playful	goldfish	office	elephant
